

SGWU NEWS RELEASE

VIA TELBEC

March 18, 1974
For immediate release

Australian ecologist, Dr. Frank Fenner, will be at Sir George tomorrow to discuss the future of the environment and of resource conservation down under.

Dr. Fenner is the head of the Centre for Resources and Environmental Studies in Canberra. His particular field is micro-biology but he will also speak on new computer applications in ecology.

Place: Room 1223, Hall Building, 1455 de Maisonneuve W. Time: 1:15 p.m.

More from Prof. J. Kowalik, 879-8039.
